DETAILED ACTION

Allowable Subject Matter

The indicated allowability of claims 28 – 30 is withdrawn. Rejections based on subsequent review of the claims.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 28 – 30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

With respect to claim 28, the applicant claims a 1) wetness indicator graphic and at least one 2) unregistered graphic. The applicant also claims a repeating series of 3) character graphic and an 4) unregistered character graphic. It is unclear if some of the terms are intended to be synonymous terms or if there are in fact 4 different graphics. Clarification and/or correction are required.
